Other:		seed abundance	<input type="checkbox"/>	Standard error	<input type="checkbox"/>		
		sediment description	<input type="checkbox"/>	or Source data	<input type="checkbox"/>		
		quadrat photograph	<input type="checkbox"/>				

Purpose for requiring the data

Please state the use to which the data will be put

If the data or the results of data analysis will be published, please outline the publication in which the data will appear

Please sign the following Conditions of Use

I, _____ agree that all validated data I receive from Seagrass-Watch HQ remains the intellectual property of the data Principals and Seagrass-Watch Ltd, and that they will be duly acknowledged in any publication referring to that data. I agree that the data shall not be provided to a third party or used for any purposes that are not approved by Seagrass-Watch HQ. I agree to consult with Seagrass-Watch HQ regarding interpretation of the provided data and to co-author publications with the data owners where possible/appropriate. I agree to email/post a copy of all publications/documents that include results produced/interpreted from the Seagrass-Watch data to Seagrass-Watch HQ (hq@seagrasswatch.org) at least ten (10) working days prior to submission for publication. Seagrass-Watch HQ reserves the right to approve the way in which reference to Seagrass-Watch data is presented in scientific publications and journal articles. Lack of response within ten (10) working days of receipt by Seagrass-Watch HQ indicates approval. Seagrass-Watch HQ will make every effort to respond in a shorter timeframe if it is required and requested. I agree to allow Seagrass-Watch HQ or its delegate, on reasonable notice, to audit my compliance with these Conditions of Use. I agree to cooperate with Seagrass-Watch HQ and comply with any of its requests for the production of any information or printed matter from me relating to the Seagrass-Watch data.
